COMMENTS Dear Examiner Shibuya:

Thank you for discussing case USSN 09/535,300 with us on August 17, 2004. Our discussion was very helpful in determining how best to proceed. In our interview, we agreed to send you draft claims for your review. I have now prepared these claims and would appreciate it if you could review them and then let me know which ones are the most promising. In our conversation, I think it was agreed that the right claim language capturing Schwabacher's invention would overcome the art cited against us. After you have reviewed the claims, I would appreciate it if you would please call me at 617-248-5215 so we can further discuss this case.

Thank you for your assistance, and I look forward to speaking with you soon.

Sincerely,
Hunter
